

APPLICATIONS OF ELECTROMAGNETISM IN MODERN ENGINEERING AND MEDICINE 35th SYMPOSIUM PTZE

September 13-16, 2026
Władysławowo

Co-organizing institutions and responsible people:

- Polish Society of the Applied Electromagnetism
- Netrix S.A. Research and Development Center
- Lodz University of Technology, Faculty of Electrical Engineering, Electronics, Computer Science and Automation
- Częstochowa University of Technology, Faculty of Electrical Engineering
- University of Agriculture in Krakow, Faculty of Production and Energy Engineering,
- WSEI University

Chairman of the Scientific Committee

Tomasz Rymarczyk

Chairman of the Organizing Committee:

Kamila Białek

Conference venue:

Gwiazda Morza Resort SPA & SPORT
ul Hryniewieckiego 12A, 84-120 Władysławowo
+48 58 600 22 00 <https://www.gwiadamorza.com/>

The conference is co-organized by the Ministry of Science
and Higher Education under the agreement

WNK/SN/0447/2025/01

Conference topics:

- Applications of electromagnetism in engineering
- Applications of electromagnetism in medicine
- Bioelectromagnetism and environmental protection
Computational electromagnetism
- Applications of electromagnetism in computer science
- Electromagnetic materials
- Medical and industrial applications of tomography
- Electromagnetism in education and social policy

Deadlines:

June 15, 2026 – submission (abstract of the paper
(2 pages, electronic form))

August 15, 2026 – completion of the abstract review process

August 23, 2026 – deadline for paying for the conference

September 8, 2026 – conference program (program
previously available at www.symposium.ptze.pl)

Reports:

1. A two-page summary of the paper should be sent only in
electronic form to the following address:

referat@ptze.pl

2. Applications for the conference should be made using the
form available at **symposium.ptze.pl**

3. the conference fee is PLN 2850/PLN 3300^{1,2}
and should be transferred to the account:

PKO BP III O/Warszawa

60 1020 1097 0000 7602 0105 8536

with annotation: PTZE'26

4. the conference languages are: Polish and English

1. the conference fees depend on the type of the room
(SR – 3300, DR – 2850)

2. the conference fee does not cover the cost of post-conference
publication
